

Hooked Like Helen

BIO

Nikki and Jon Stipp's Cleveland-based Hooked Like Helen made its **stadium** debut as 1st of 4 at **KLAQ Rocks The Park** in El Paso, TX. The alt rock band just completed a North American tour in support of **Charlotte Sands** and they **SOLD OUT** headlining dates across the U.S. this fall. HLH was named **Best Rock Band** at this year's **Cleveland Music Awards** and has lent music to film and tv projects for **Netflix, E!, MTV, Peacock, Hulu, BET,** and more.

Beyond music, Hooked Like Helen cultivates a community of healing. The band performs and leads **mental health discussions** at college campuses including **San Diego State University, Oregon State University,** and **UC Irvine** for the program they created called Concert & Convo. Through themes of trauma healing, mental health and addiction recovery, HLH crafts hopeful anthems that resonate deeply with fans. Nikki, 14 years sober, uses her platform to illuminate paths to survival.
